## THE TWELVE RECOMMENDATIONS FROM PETALE

1. You shall have no other might and no gods, tin gods and holy ones next to the Creation.
2. You shall keep honoured the name of the Creation and not misuse it.
3. You shall make every day into a day of festivity and venerate (control) it.
4. You shall not be breaking the bond with the Creation, contained therein: You shall not commit adultery.
5. Honour the Creation equally as you honour, esteem and love your father and mother.
6. You shall not kill in *Ausartung*\*.
7. You shall not be robbing and not be expropriating.
8. You shall not bear false witness against the truth, the Creation and the life.
9. You shall never and never speak the untruth.
10. You shall not desire in avariciousness for material treasures and the possessions of the ones next to you.
11. Curse not the truth.
12. Never and never put the Creation-recommendations and Creation-laws into unworthy cults.

## Instruction and explanation of the

## TEN RECOMMENDATIONS

### from a spiritual level near Creation, received by telepathic transmission

1. Do not be astonished at the hearing of my words which reach to you from out of a, far-higher-positioned, *swinging-wave*\*-level of the spirit.
2. My *Wesen* is released from the material, is genderless and in the level of the relatively absolutely fulfilling itself BEING, within the love and truth of the Creation.
3. So I will now be comprehensible in you; this happens out of a necessity and from the occurrence that you have recently become capable of the reception of my words.
4. However, since you research and thoroughly apply yourself to the truth, my form shall be explained to you, for the better understanding of your ways:
5. Never and never during the time of your present life will you be capable of communicating with me because your *swinging waves* of the spirit only live through the levels of the recognition and the understanding.
6. That, however, is already very much greater than this is able to be shown by any other life form of your present time.
